

# High School Summer Camp 2018

Each year summer camp is one of the highlights of the youth ministry. Our goal is that Summer Camp would be a time to unplug from the world and take some time focusing on who God is and learning more about how to live for Him. This year for camp we will be heading back to Pinecrest Camp in Ozone, Ar. For more information about Pinecrest please view their website at [pinecrest-ozone.org](http://pinecrest-ozone.org). As is the tradition we ask that no student brings any electronic device with them to camp. As technology advances cell phones become more and more distracting. Camp is a great time of focusing on deepening relationships with friends and with God and electronics can distract from this. **Parents, I ask that you would please help enforce this rule as it truly is invaluable to our time at camp. The lack of technology helps the students bond together and focus on what the Spirit is teaching them.** If you need to contact your child while they are at camp you can either contact me on my cell phone at **(479) 435-5566**, or call Pinecrest Camp at **(479) 292-3753**.
