Sunday Night Youth Activities (SNA's):

Throughout summer the High School youth will only meet on Sunday nights. NO WEDNESDAY MEETINGS. Each week we will meet from 6-9:30pm unless otherwise communicated. This extended time allows us to have a lesson, small groups, and then do a fun activity.

Historically we've done 1 paid activity that cost \$10-20 (Go-kart night at Lokomotion, Trampoline night at Altitude, Bowling, etc.) and the rest are free (sand volleyball, futsal, lawn games, etc.) Every couple of years I try to do a lake day and am hoping that we are able to do one this year. Lake day will turn one of our SNA's into a whole afternoon event. If I'm able to make it work on the schedule, I will make sure to send out detailed information.

When going off campus for the activity, pickup will still be at the church at 9:30. If we are delayed for any significant time, I will use the Remind messaging app to communicate with parents.

Details for SNA's will be given weekly in the bulletin and through the Remind messages.
