Sunday Night Youth Activities (SNA's):

Throughout summer the High School youth will only meet on Sunday nights. **NO WEDNESDAY MEETINGS.** Each week we will meet from 6-9:30pm unless otherwise communicated. This extended time allows us to have a lesson, participate in small groups, and then do a fun activity.

Historically we've done 1 paid activity that cost \$15-25 (Go-kart night at Lokomotion, Trampoline night at Altitude, Bowling, lake day etc.) and the rest are free (sand volleyball, futsal, lawn games, etc.) This year I'm planning for another lake day at Keystone lake in Tulsa. More details will be given through the Remind app and email as the date approaches.

When going off campus for the activity, pickup will still be at the church at 9:30 (unless otherwise stated). If we are delayed for any significant time, I will use the Remind messaging app to communicate with parents.

Details for SNA's will be given weekly in the bulletin and through the Remind messages.

Sign up for remind: text @sagerhs to 81010.
